

NASPA CONSORTIUM STUDY

Student Involvement participated in the 2019 NASPA Consortium Campus Activities & Student Involvement study. A stratified random sample of students by classification (Fr, So, Jr, Sr) were invited to participate. Data was collected via an online survey in the spring of 2019, with 438 respondents. This reflects a 8.76% response rate. The following data points represent how **Auburn University** compares to the **national average**, which includes 8 participating colleges and universities.

**18-19

* indicates statistical significance

STUDENT INVOLVEMENT ASSESSMENT REPORT 2018-2019

80%

of responders were involved in at least one organization or club

"How has Involvement provided you with skills and abilities you will use after college?"

"Organizations have encouraged me to be flexible, think on my feet, and lead in ways I never thought I could before."

"I have become more mature and organized."

"I have learned how to communicate with my peers and those both older and younger than myself."

"I learned how to run a social media site for a company, and how to form professional emails for hundreds to read."

"Involvement on Auburn's campus... has shown me that if I go out and participate, I can grow and become more than I thought I could."
